Group Travel

Left- Carl Carlan and Cindy Huerta standing at the local Car show in front of Mercedes-Benz belonging to Walter Parce. On the right, we get a good picture of Jaime Huerta’s Aston Martin in a beautiful black finish. The RGV Section enjoyed visiting each other and studying the various automobiles that attend these weekend car shows where folks just bring whatever they drive.

Above- Cindy Huerta's low mileage convertible and Richard's low mileage coupe show the great differences between two wonderful automobiles with more than 30 years difference in age. The RGV Section banner sits on the youngster's windshield. Jaime and Cindy donated the banner to the RGV Section just last year. We take it to nearly every gathering of the members.

Above-Richard Irizarry and Walter Parce pose in front of an old Studebaker in perfect condition. This is just one example of the variety of automobiles that visit this show nearly every month in the McAllen-Mission area of the Rio Grande Valley.

Here is a view of some of the RGV Section Automobiles. As you can see, the group enjoys visiting and talking about MB automobiles. Cindy and Jaime came to the show with some family members. They are being introduced to members and their automobiles.

Richard's wife, Roseann, snapped this picture while he was trying to direct the MB automobile owners to park along the front line at the car show.

On November 11th, Veterans Day, the Rio Grande Valley Section met at Arturo's new restaurant in Weslaco. We recognized the three Veterans in the group that were present, Dave Kennedy, Richard Irizarry and Wes Anderson. Col. Carl Carlan was away on a trip. We always enjoy the meal and the conversation with members of the RGV Section.

Our next meeting will be held on December 9, 2013 at Arturo's Bar and Grill in Weslaco. The meeting will give members an opportunity to contribute to a Christmas Toy fund for a needy family in Weslaco. This is our opportunity to give something back to the children of our Rio Grande Valley communities.
